Advice fees

Initial Advice

Under the Corporations Act, any personal advice we provide you needs to be in the prescribed form known as a Statement of Advice (SOA).

We do not charge for the preparation or implantation of our SOA, however there are third party fees for buying your investments.

The advice contained in the SOA is generally regarded as Scaled Advice, as it does not purport to be comprehensive in nature and is usually for a specific purpose such as saving for a home deposit, investing as an alternative to Super or providing funds for the benefit of children or grandchildren.

Ongoing Advice

We charge a flat monthly fee of \$27.50 inclusive of GST irrespective of portfolio size; however, for portfolios under \$30,000, we reduce our monthly fee to \$22.00 inclusive of GST.

The ongoing services we provide include the banking of all dividends and other distributions from your portfolio, the automatic rebalancing of the investments within the portfolio, the preparation of your annual tax statement, 24/7 online access to investment portfolio including access to the underlying holdings, the ongoing investment selection and review of holdings within your portfolio.

Documents you may receive

The SOA which we provide to you online, is often referred to as an Investment Plan and contains a summary of the information you have provided, an analysis of your risk profile, our investment recommendations and where appropriate, a range of illustrations of likely outcomes.

You will also receive a Managed Discretionary Account (MDA) Agreement from Clover.com.au Pty Ltd, an Advisor Services Client Agreement from Open Markets Australia Ltd, a Product Disclosure Statement (PDS) from Macquarie Bank and PDS's for any Exchange Traded Funds (ETF) recommended.

Privacy

CHOIS has implemented a privacy policy, which ensures the privacy and security of your personal information. You can request a copy of the policy from us at any time.
